Moonlight Glow Walk: Herriot Hospice

Light up the streets of Thirsk for Herriot Hospice.

The brand-new Herriot Hospice Moonlight Glow Walk will be lighting up the streets of Thirsk on Sat 3 Oct. Join us for an exciting night of celebration and togetherness, and walk a 5k route under the stars to support Herriot Hospice.

Our Moonlight Glow Walk is everything bright and glowy. So bring your glow sticks, your neon clothes and your lights, and get ready to glow the night away in support of local hospice care! The night will begin at Thirsk Racecourse, where we will gather in the event village for some pre-walk entertainment from 5.30pm before setting off at 7.30pm.

Grab a hot drink and soak up the community-filled atmosphere, or treat yourself to a bite to eat at a food vendor. Add some extra sparkle to your night with our neon face-painting and glitter hair station, and join in the pre-walk warm-up.

Where:

Thirsk Racecourse, Station Road, Thirsk YO7 1QL

When:

Sat 3 Oct, 5.30pm onwards

59, 60 and 60A buses

The timetables for buses 59, 60 & 60A changed on Mon 14 Sep 2026. These three circular routes operate visiting villages around Thirsk only Mondays & Fridays (incl. Good Friday) and there are 'timing changes to improve reliability'.

Download the timetable at VisitThirsk.uk/60bus

Sutton Bank shuts for repairs

Sutton Bank will be closed for three weeks while essential safety and maintenance work is carried out. The steep route, which forms part of the A170, will close for annual maintenance from 7am Sun 13 Sep. Completion is due by 7pm on Sun 4 Oct.

New parking meters

North Yorkshire Council are replacing parking ticket machines across the county. These are NYC's answers to your questions.

What's changing?

Customers will no longer receive a ticket to display in their vehicle. Instead, they will:

- Enter their vehicle registration number (VRN) on the payment machine
- Select the length of stay required
- Pay using cash or card or a parking app (where available)

Will I notice anything different?

Aside from no longer receiving a printed ticket, customers should notice very little difference in how they pay for parking. Our installation team will carefully manage the transition to minimise disruption and ensure a smooth changeover at each location. Signage is also being updated to explain the new payment process, as well as displaying parking tariffs and specific car park information.

Can I still pay with cash?

Yes. The new machines will continue to accept cash as well as card payments. Parking apps will also be available where currently provided.

Why are you removing paper tickets?

Moving to a ticketless system reduces maintenance requirements, improves reliability, cuts paper usage and provides a more efficient service for customers and the council.

How do I know my payment has been successful?

Once payment has been made, the machine will confirm that your parking session has been successfully registered against your vehicle registration number.

Are you using ANPR (Automatic Number Plate Recognition)?

No, we are not using ANPR technology in our car parks. Our civil enforcement officers will be able to check parking sessions electronically using vehicle registration numbers, removing the need to check printed tickets.

How will parking be enforced without a ticket?

Our civil enforcement officers will use handheld devices to check whether a valid parking session has been purchased for a vehicle using its registration number.
